

John Ulrich Basketball – COVID Guidelines Summary
(Per the Illinois Department of Commerce & Economic Opportunity Restore Illinois)

John Ulrich Basketball takes the health and safety of our players very seriously. With the spread of the coronavirus or “COVID-19,” a respiratory disease caused by the SARS-CoV-2 virus, John Ulrich Basketball must remain vigilant in mitigating the outbreak. We understand that many families want to get back on the court but this must be down with a strict focus on the safety of the players, coaches, and their families while also following federal, state, and local guidelines for the resumption of basketball.

2020 Fall Camp Schedule

Summary of important guidelines we are implementing and would like to highlight specifically:

1. Each participant must have a signed waiver (by their parent/guardian) on file agreeing to adhere to the guidelines outlined in our approach plan and that they understand the inherent risk with COVID-19.
2. No spectators or volunteers will be allowed in the gym at any time. Only trained staff and campers may be in the gym.
3. All staff must wear a mask at ALL times (no exceptions). Drills will be done in a non-exhaustive format in order to ensure breathability for each camper while wearing their mask.
4. Players will wait in their car until a wellness check is performed by the camp supervisor, including a temperature reading. If temperature is 100.4 F or above or if the camper displays any symptoms of COVID-19, they will be sent home immediately.
5. Upon exiting car, players must immediately sanitize their hands.
6. EVERY person will maintain a minimum of 6-ft. distance between every other person AT ALL TIMES.
7. The maximum number of players per group will be 10 players (while still 6-ft. apart) and each group will maintain a minimum of 30-ft. between groups at all times.
8. No scrimmaging or contact drills of any sort will take place. All drills will be individual skill development and completely solo.
9. EVERY person must bring their own basketball and touch ONLY their own basketball. No sharing of basketballs, passing or touching of anyone else’s ball will be permitted at any time.
10. Players will be trained how to avoid touching any handles or anything that is not their own property. If contact is required with any public surface (sink handle, etc.) then immediate sanitization will occur, through hand sanitizer or soap.
11. Visual posters and physical markers will be up throughout the gymnasium to remind EVERY person to maintain at least 6-ft. (hopefully 10-ft.) of social distancing.
